The Diy Furniture Package

The DIY furniture package

It is recommended that you utilize our furniture package options for your special day as the packages include all of the planning, coordination, set up, styling, pack down and any associated delivery fees.

However if you would like to use an external stylist for your furniture needs, this is permitted and considered our DIY furniture package. This Package has a \$500 fee associated to cover the coordination of external suppliers, removal and storage of our on site furniture to create a blank canvas for external furniture, and the pack down of 'blow away' items at the conclusion of the evening.

With the DIY furniture package, all set up and styling is to be arranged directly with your provider.

Crockery and Cutlery

Many of the caterers provide the cutlery and crockery as part of their catering package. Because of this, crockery and cutlery are quoted separately to the seated reception packages.

Should your caterer not provide crockery and cutlery, place settings are available for \$10.50 per head including a main plate, entrée plate, entrée cutlery and mains cutlery.

For Sit down receptions where the crockery and cutlery are to be set up on the tables, this fee is \$15 per head, which includes all of the crockery and cutlery as well as the styling time involved to set the tables.

Catering

Broome Weddings and Events have hosted many weddings and gathered a very good understanding of the foods that look amazing and ensure the guests and bridal party are very happy.

Following are our suggestions for starters that pair beautifully with congratulatory sparkling wine following the ceremony, and really get the party started in style.

All of these starter options will need to be followed by catering of your choice.

Starter Options

Grazing Table

A beautifully presented and varied spread of food fit for the classiest of events. Something for everyone in this option, displayed on a thick slab of rustic River gum atop two wine barrels. The cost of this option is proportional to the number of guests as per the below table:

Guest numbers	Up to 80	81 to 120	121 to 160	161 to 200
Gourmet Grazing table	\$1653	\$1917	\$2093	\$2533

This Grazing Table ensures your guests have plenty of food whilst there are drinks on offer and substitute the need for starters or an entrée. This grazing board will keep guests grazing for a few hours which allows you to arrange your mains to be served later in the evening.

Freshly Shucked Oysters

Fresh, live Coffin Bay oysters shucked freshly for your guests at an Oyster shucking station. The cost of this is proportional to the number of guests as per the following table:

Guest numbers	Up to 50	51 to 80	81 to 120	121 to 160	161 to 200
Cost of Oyster Shucking Station	\$780	\$1020	\$1380	\$1800	\$2160
Number of Oysters	10 dozen	17 dozen	25 dozen	33 dozen	41 dozen

The Freshly Shucked Oyster option is a starter and catering would need to be arranged to come out shortly after or during oyster service.

Rustic Cobs

A relaxed and hearty starter. The Cob loaves are filled with hot artichoke and Parmesan dip served on platters with chunks of sourdough loaf. A great starter for the budget conscious without compromising on taste. Costs are proportional to the number of guests as per the below:

Guest numbers	Up to 80	81 to 120	121 to 160	161 to 200
Cost of cobs	\$360	\$480	\$660	\$840
Number of Cobs	6	8	11	14

Broome Weddings and Events are happy to accept external caterers for your event. Broome is home to polished, professional and tasty catering options. Check out our trusted supplier list on our website for our recommendations. Caterers are required to be self-sufficient, and we suggest using a caterer that has a mobile kitchen or food van that can be parked in our car park. Standard Power is available to caterers preparing food on site. All Caterers are required to hold their own public liability insurance and have an approved kitchen licence.

There is very limited, spare cool room space on site, so if cool room storage space is required by you or your caterer, it is recommended that you/they provide a mobile cool room (available to hire in Broome). Complimentary use of power for the mobile cool room is provided. On site kitchens are not available for external catering use.

As we are a licensed venue, there needs to be food available for your guests at all times that there are alcoholic beverages being served, until the main meal. Please ensure that there is entrée, starters available prior to your main catering or choose from one of the 'Starter options' above.

Venue hire includes bar staff for the evening. If your chosen caterers are not providing staff to serve the food,

we can arrange extra staff to do this for an additional cost. Please contact us to discuss.

Wedding cake as dessert (Wedding cake provided by bride and groom).

Vintage cake plates and cake forks are available for \$4.50 per head. This is a DIY cake serving option where the plates and forks will be set up on the cake table. If utilizing the cake plates, complimentary use of the cake serving utensils are provided.

If you would like the cake portioned on our vintage cake plates and garnished with seasonal fruit, served with vanilla bean ice cream and dollop cream to your guests, this attracts an additional fee of \$3 per person.

Alternatively, you are welcome to bring cupcakes/ petit fours as your wedding cake/ dessert and therefore no plates are required and napkins will be supplied on the cake table for guests to help themselves.

Transfers

Broome Weddings and Events' traffic management plan requires all guests to be transferred to and from our venue in buses. This is a great party starter and also ensures all guests return to their hotels, or a 'kick on' location, safely after the function.

It is a condition of venue hire that no more than five cars are to be parked on site. These spots are usually taken by your caterer, photographer, celebrant, band and the bridal party car. Therefore all guests need to utilize the bus transfers. The cost of transfers are proportional to the number of guests and capacity of the buses as per the below pricing structure.

Guest numbers	Up to 30	31 to 57	58 to 87	88 to 117	118 to 200
All Seated	\$696	\$925	\$1650	\$2050	\$3395
Guest Numbers		up to 77	78 to 154	155 to 200	
Sitting and Standing		\$696	\$1392	\$2088	

This is based on locations within Broome and transfers remaining within one hour for collection, and one hour for returns. There is a \$400 bond per bus applicable to the bus transfers, returnable within seven days of the function less any excessive cleaning, delays or damages.

Alternatively, you can arrange your own bus transfers for your guests.

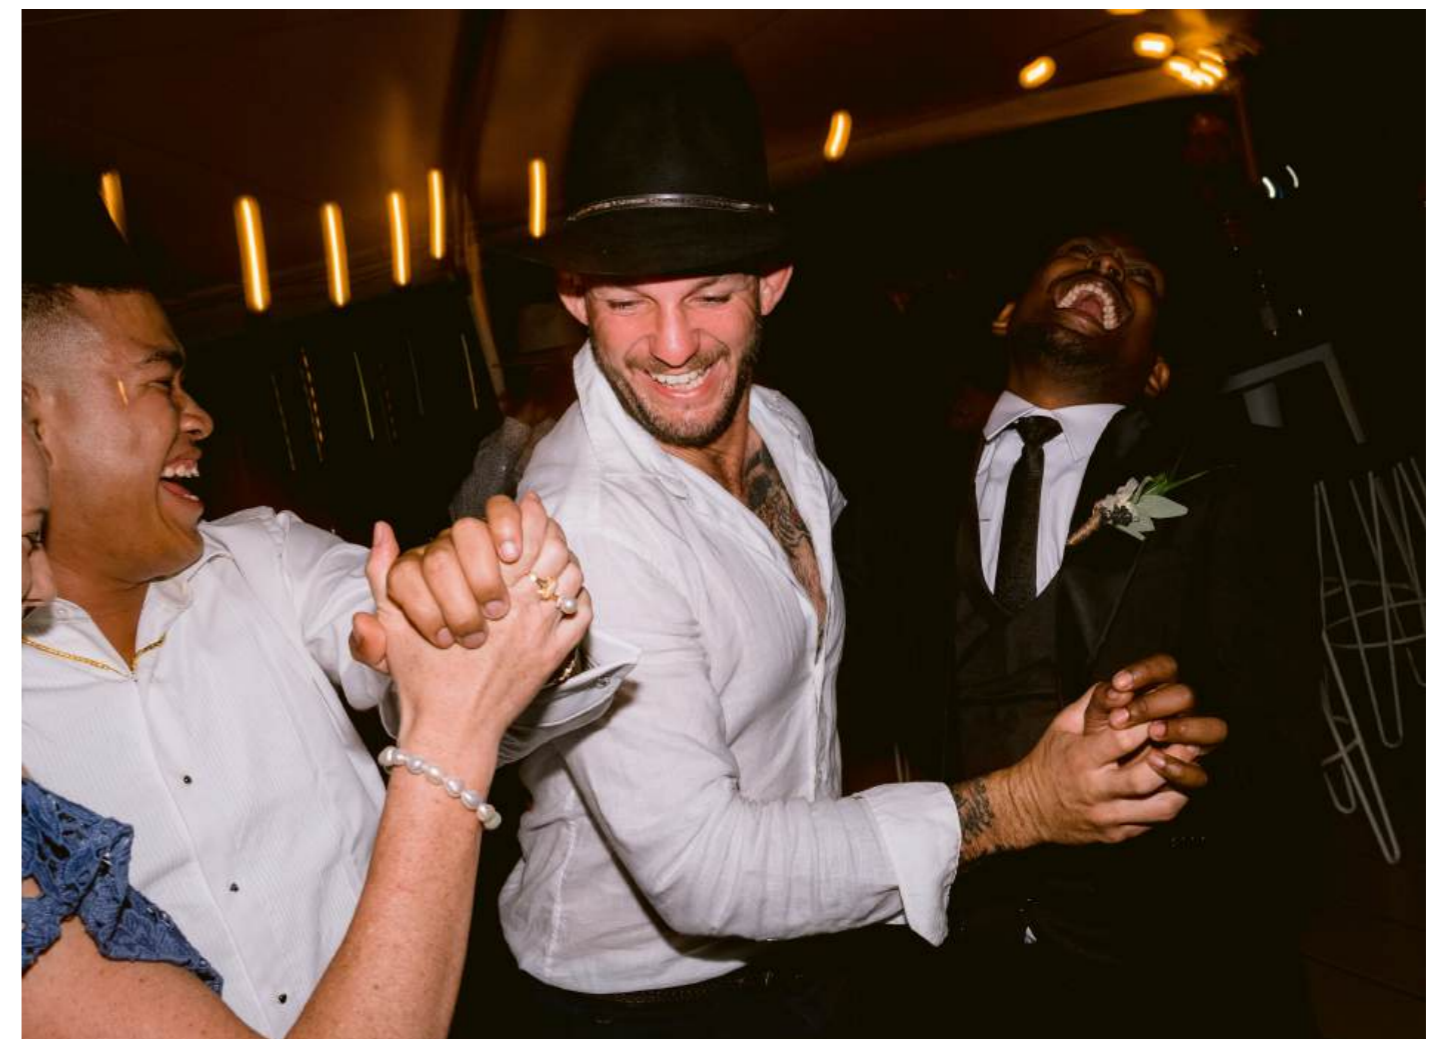

Music and Dance

Music makes the night. The Marquee on the deck has the necessary power supply to support your chosen band or DJ. Music choice is very personal however please see our trusted supplier list on our website for our recommendations. The Dance floor is on the decked area and cannot be on the grass. Should there be gaps in your band or music choices, it is suggested that your band/ DJ has the required cord to attach your phone to stream your Spotify play lists.

If you are planning on having speeches on your night, please ensure your band or DJ has the necessary microphone equipment for your use.

For your Ceremony, you will need to consider audio for the celebrant. Most of the Celebrants here in Broome provide their own portable microphone equipment. Please refer to our trusted supplier list on our website for our suggestions on Celebrants.

Beverage options

Broome Weddings and Events has a very well stocked bar including beer, wine, spirits, cocktails, non alcoholic options, Juices and soft drinks.

There are a range of beverage options for your event. See page 26-33 for selections.

These drinks packages can be mixed and matched to tailor a package for your evening and are scalable to meet the classiest of expectation.

There is a package to suit all budgets as well as a junior drinks package for children/ youths younger than 18 years. Beverage packages work on a per head amount (18+ years) regardless of drinking preferences, and irrespective of drinking volume, the price is a constant per head amount.

Alternatively, you could choose an on-consumption drinks package where a bar tab is decided upon in consideration of any budget, and guests pay their own way when the bar tab is reached. What is included in the bar tab is up to you.

The third option is having a cash bar where all guests pay for their own drinks.

Regardless of what package option you choose, guests can purchase their own preferences throughout the event also. So if you have a few guests that only drink spirits and your chosen drinks package doesn't have spirits included, they can purchase their own drinks of choice during the event.

Amazing cocktails are available throughout your event, whether it be in our drinks package or on consumption, ensuring that all preferences are covered.
