CONGRATULATIONS

Congratulations on your engagement and thank you for considering Hotel Kurrajong Canberra for your special day.

We invite you and your partner to celebrate your wedding at the classically restored Hotel Kurrajong Canberra, a majestic property that originally opened in 1926 at the height of the Roaring 20s.

In that spirit, Hotel Kurrajong Canberra once again welcomes you. The refurbished hotel comprises 147 guest rooms, 26 of which are in the heritage wing. Magnificent executive suites and balcony rooms complement the understated charm of the setting including graceful design features, deep verandas, radiating courtyards and elegantly landscaped gardens.

At Hotel Kurrajong Canberra we have the facilities to host an intimate event for 2, a sit down dinner for 150, or a cocktail party for up to 300 guests.

HOTEL KURRAJONG

Hotel Kurrajong Canberra first opened in 1926 at the birth of the nation's capital. It was designed by the Commonwealth Chief Architect, John Smith Murdoch, who is also famous for designing Old Parliament House. It first housed staff transferred from Melbourne to set up the new Parliament and it continued as a residence for Members of Parliament and public servants for years to come.

Hotel Kurrajong Canberra's corridors are steeped in the capital's political history. The hotel team consider themselves proud custodians of its heritage, passionately sharing stories of its early days during guided tours. Its roots are reflected in the hotel's beautiful Art Deco décor, nostalgic ambient lighting, jazz music and a lounge filled with books and artworks on the city's political history and leaders.

Prime Minister Ben Chifley lived at the hotel throughout his parliamentary career, including his term as Prime Minister from 1945 - 1949 and up until his death in 1951. He preferred the Kurrajong's comfortable, down-to-earth confines to The Lodge, enjoying the 700m walk each morning to Parliament House.

Chifley is remembered for establishing the Snowy Mountains Hydro-Electric Scheme, Trans-Australian Airlines and Australian National University.

In Chifley's most famous speech in 1949 he described the 'light on the hill' - the objective towards which he said the Australian labour movement must continually strive.

Hotel Kurrajong Canberra shares a similar vision to bring something better to the people of Canberra, locals and visitors. The light on the hill has been relit.
