VENUES

THE COURTYARD GARDENS

Located in our peaceful and private central courtyard our landscaped gardens are the perfect location for your wedding ceremony or why not make the gardens the location of your reception and host a garden party. It doesn't get much more memorable than that.

THE TERRACE

Overlooking the gardens our terrace can play host to outdoor welcome drinks for your wedding guests or an outdoor cocktail and canape reception. Why not bring along some live music to set the scene for a summer wedding to remember.

THE COURTYARD RESTAURANT

Opening out onto the terrace and overlooking the courtyard gardens the Courtyard Restaurant is ideal for a private wedding dinner party of up to 55 guests or if the season is right we can open the bi-fold doors to combine the space with the terrace for the ultimate indoor/outdoor space.

CARLTON & GROSVENOR FUNCTION ROOMS

For your traditional wedding reception our Carlton and Grosvenor rooms provide space for 170 guests. With large banquet tables, a bridal table, dance floor and fully functional bar with beer on tap you will have all you need to create memories that will last a lifetime.
