The Reception

There is something very special about an outdoor wedding. The ambience, beautiful surrounds and relaxed, rustic vibes really set the scene for a memorable and beautiful day. Our alfresco setting under the gum trees will provide you and your guests with a relaxed, spacious and gorgeous location for your reception.

Timber tables and chairs, wine barrel bars and long trestle table bars add to your vineyard wedding setting and the extensive space and flexibility ensure that our reception space is a blank canvas ready for you to create the venue of your dreams.

For smaller weddings (50 and under) our Cellar Door is available as a wet venue option if needed.*.

For large weddings (50 and over) marquees are suggested as a wet weather option. Marquee's will need to be set up in accordance with our venue guidelines and specific location on a cleared portion of the vineyard that still enjoys stunning views of the rolling hills. Lazy Oak does not provide a marquee and the associated expense is not included in the venue hire fee.

Note, please also consider additional need and fees for portable toilets and lighting should a marquee be required.

Lazy Oak is happy to recommend local hire companies, caterers, photographers, florists, wedding planners and venue dressers with whom we have a great relationship.
