

A UNIQUE VENUE FOR

Your Special Day

The Woolshed at Jondaryan is proud to say it is one of the most unique venues in the world and provides the perfect combination of vintage elegance and modern hospitality. Located in the heart of the Darling Downs, it has long been considered the 'Diamond in the Rough' and delivers an unmatched ambience and authentic Australian experience. The complex offers the ultimate 'destination' wedding package.

Within the complex there are a variety of locations available for your ceremony and reception, including the historic Woolshed itself. Its lanolin soaked timbers and vast hanging rafters are full of the mystique of true Australian history and provide an exceptional aura for weddings.

The Woolshed is a fully licensed venue. Our international chef and Wedding Coordinator work with you to make your vision a reality, including designing a menu to suit your tastes. We pride ourselves on our flexibility and passion to make your experience at The Woolshed unforgettable.

The Woolshed grounds offer many accommodation options including self-contained cottages, cabins and shearer's quarters, caravanning and camping sites. Family and friends will enjoy the opportunity to experience the entire weekend relaxing and reconnecting.

The Woolshed offers photo opportunities like no other. This unique setting creates an ambience which shines through in each and every memory you capture. From silver-service through to the more intimate country weddings, The Woolshed truly has something for everyone. Let our horse-drawn carriages and tranquil bush setting provide a beautiful backdrop for your special day.
