A close-up photograph of a hand-stretched wood-fired pizza. The pizza is cut into several slices and is served on a round wooden board. The toppings include melted yellow cheese, chunks of white chicken, and pieces of cooked bacon. The crust is golden-brown and slightly charred. The text "SOFFRITO" is visible on the wooden board. The background is a light-colored surface with some green leaves.

A woman with long, wavy brown hair and a bright smile is leaning over a three-tiered stand of dessert cups. She is wearing a dark top and large hoop earrings. The stand is filled with small, round dessert cups topped with chocolate chips, strawberries, and a drizzle of sauce. The background is softly blurred, showing more of the same dessert cups and a warm, golden light.
