What Is Included In Venue Package

Our venue package includes exclusive use of the property for 3 days - you will be invited to choose your perfect location to set up the ceremony and reception anywhere on our property. Included in the venue hire, is 3 nights in our boutique, 2 bedroom cottage (you are welcome to stay longer if you wish). The bedrooms are spacious, and each have a large walk in wardrobe and en suite, so is ideally suited for getting ready for your ceremony. The cottage is very private and charming, the perfect place to retire to after a big day of celebrating, and is a great way to start your honeymoon!

We also provide a person to act as the RSA and host, to assist with any needs on the day. We don't subscribe to the "one size fits all approach", we prefer to work with you to ensure your vision is achieved.

Our venue hire packages start at \$2000 for a Winter wedding, and start at \$3000 for a Spring or Summer wedding – depending on your requirements and the number of guests.

To request a quote, please provide us with approximate dates, what style of wedding you are after, number of guests, any furniture you are interested in hiring, and any other details that are important to you.
