AT DALWOOD ESTATE

About Us

Established in 1828 and nestled in the heart of the Hunter Valley region, our historic venue exudes rustic charm, providing acres of vineyards, tree-lined driveways, and captivating landscapes. Experience the unique blend of heritage and natural beauty for an unforgettable celebration amidst rolling plains and breathtaking sunsets. Elevate your wedding reception dreams in our spacious indoor venue. With tall wooden peaked ceilings, sandstone walls, and indoor fireplaces, we offer a warm and inviting atmosphere to celebrate with friends and family.

Whether you envision saying your vows beneath a verdant canopy of trees alongside the river or within our natural amphitheater nestled amid the vineyards, there's an unparalleled magic to a destination wedding overlooking one of the Hunter Valley's most captivating venues.

Following the ceremony, wander through vineyards that provide breathtaking backdrops for photographs, featuring flourishing vines, historic structures, open green expanses, and the gently flowing river.

Dalwood's events are exclusively catered by Meet Restaurant, a Newcastle-based establishment that has transitioned seamlessly from its restaurant roots to specialise in weddings and events since its opening in Honeysuckle in October 2015. Notably, the restaurant earned a place in Open Table's prestigious Top 100 Restaurants of Australia in 2017.

The estate's bar boasts an exceptional selection of wines sourced from the locally grown vines of Dalwood, Hungerford Hill, and the renowned Sweetwater. The function center houses several rooms that can be customized for intimate or grand gatherings, while an outdoor marquee overlooking the vineyards can be strategically positioned to capture the serene ambiance.
