FIRSTLY

CONGRATULATIONS!

Total Homestead defines 'rustic charm meets modern hospitality'.

Sprout Catering offers exceptional service, catering, and event management, paired with what is one of the Hunters most beautiful venues.

360-degree stunning views are the backdrop for your ceremony, your photos and reception all in the one venue!

Eliminate the need for costly transport, and the hassle and stress that can accompany long drives to and from ceremony & reception venues by enjoying the ease and beauty of Total Homestead. Everything you need in one location!

Your Ceremony

Arrange your wedding ceremony on the Homestead Lawns for an elegant garden wedding overlooking the views or gigantic fig trees, or in Blacketts Barn for rustic charm. Tocal Chapel (at Tocal College) is available for hire for those looking for a traditional wedding ceremony venue. Speak to your wedding coordinator for further details and availability.

Your Photos

The Homestead Lawn offers a lovely backdrop for family and group images. The stunning property is completely available to you and your photographer to use for your bridal party photos. While your bridal party is utilizing the beautiful grounds for your photography, your guests can enjoy relaxing with drinks and nibbles in Blacketts Barn or the Function Centre lawn prior to the reception.

Your Reception

The Heritage Hay Shed Function Center retains the exterior of a 100-year-old shed. The interior has been transformed into a modern function venue with extensive use of recycled timber. The Heritage Hay Shed overlooks the orchid and Homestead grounds, with views of the mountains in the distance. It's lawn area offers a pre-dinner space or smoking area for guests during the reception.
