Located in Gippsland, Drouin East, Brandy Creek Estate offers a breathtaking setting for your big day. We're fortunate to be situated on 10 acres of land. Half of that is made of fruitful vines that produce three types of delicious wines every harvest. This winery gives the ambiance for your wedding day, with verdant mountain views surrounding you.

Our restaurant and bar lounge draw in visitors from far and wide to experience our innovative yet authentic Iberian-themed dishes. For our wedding days, we maintain the same quality of fresh, locally-sourced ingredients and dynamic service. Your guests will love the elegant surroundings and relaxed dining experience.

We offer a wide range of spaces, each with a different atmosphere so you can tailor your wedding day experience. Let's start designing your dream wedding today.

# DINE & DANCE

## GOLD ROOM

Our Gold Room is the heart of our space. It's where our couples love to dine with the full view of the valley in the distance.

Continuing the Iberian theme, the Gold Room is where the elegance of our vineyard meets the luxurious ostentatiousness of Spanish culture. It's full of character, light and vibrancy. Our famous gold-embossed mirror is a staple that so many of our couples adore. It's an artifact that we're the proud custodians of. We're certain you'll love it too!

This spacious room leads into the next space comfortably, so there's a direct flow from dinner to dancing. We can seat **150 guests** in this room and it's included in all venue hire fees, regardless of the size of your party.

CAPACITY **150**

## VICTORIA ROOM

The Victoria Room is where the party starts! Sandwiched between the Grand View Room and The Gold Room, our couples love to use this as a dancefloor space. The doors are decorated with painted conquistadors and Spanish florals. You'll feel that Iberian influence at every step of your wedding day.

The Victoria Room has the same engraved ceiling details as the Gold Room. The floor-to-ceiling glass floors provide a stunning view of the Mount Baw Baw Range.

CAPACITY **40-50**

## DINE & DANCE

### THE GRAND VIEW ROOM

The Grand View Room is exactly that! The room with the grandest view on the property. The huge floor-to-ceiling windows frame the scene of lush green valleys beyond our vines. It's a treasured view day or night.

Couples love this space as a welcome drink area once they arrive at the venue after their ceremony.

This spacious, modern, light-filled room has such a welcoming atmosphere. It's the perfect place to start your wedding day with your loved ones, with nibbles in hand and the flowing of great wine.

The Grand Room also works well as a breakout space for children and older guests to rest during the evening party.

CAPACITY **50-60**

## WEDDING REVIEW

“ I was fortunate enough to be able to have my wedding at Brandy Creek. Communication was really good, but once the amazing Skye was allocated to us as wedding organiser, everything just became so easy! Nothing was too much trouble, and Skye’s attentiveness and humour made wedding planning a pleasure.

On the day the venue was gorgeous! The paella feast was the star of the show and will keep everyone talking for years!

The staff were everywhere, but so polite and unobtrusive.

I cannot recommend Brandy Creek enough for any special function. To all Brandy Creek staff, and especially, the amazing Skye, thank you, thank you, thank you!”

# WEDDING CEREMONY

## AN OUTDOOR CEREMONY IN OUR GAZEBO

Tucked away on our private terrace, escape to a tranquil idyll to host your ceremony. This outdoor space is perfect for weddings of every season. Summer, Autumn, Winter, and Spring weddings are all possible, surrounded by lush green leaves and fragrant eucalyptus trees overlooking the beautiful Mt. Baw Baw ranges. With views of the distant mountain range surrounding you, you'll adore this natural, peaceful spot to say "I do"!

## AN INDOOR CEREMONY IN THE VICTORIA ROOM / GOLD ROOM

The room is ornately decorated with Iberian-themed gold sliding doors and custom-engraved ceiling panels. Despite its obvious character, you can still be creative with your styling choices and make the room your own!

## OUR CUISINE

So you've chosen the locations you want for your dream wedding day. The next step is to choose exquisite catering to match the excellence of the space. At Brandy Creek Estate, we believe we've perfected that balance. We specialise in Iberian cuisine, with specific nods to Spanish and Brazilian culture. Our couples delight in tasting our authentic dishes with a little Brandy Creek twist.

You can count on all of the ingredients at your wedding day to be as fresh as possible with our exceptional catering service. We pick straight from our olive groves to create marinated olives and olive oil dips. The rest of our produce is locally sourced from the surrounding farms here in Warragul.

We've created set menus that display the best of the best of our talented culinary team. When our couples book with us, they always rejoice at the complimentary food and wine tasting. Introduce your wedding guests Iberian flavours and seasonal ingredients in a way they've never tried before!

## WEDDING REVIEW

“My sister had her wedding here and I couldn’t rate them highly enough. Skye, the events planner, was absolutely amazing. She was so helpful and made sure the night ran smoothly. She stopped in as MC for part of the evening as there was some confusion around who was taking on this role. She communicated with us frequently over the course of the evening and built up a great rapport with myself, the groom, and the bride. The food was also delicious especially the paella station, what a great idea! All staff were friendly and helpful and the amazing views and winery setting made a beautiful backdrop and great photo opportunities!”

Brandy Creek Estate Weddings - 2025

## OUR TAPAS

Spanish food is all about sharing good times with the ones you love. Here at Brandy Creek Estate, we carry that ethos into every wedding we host and that's why our tapas is so popular for smaller weddings.

Tapas is the quintessential way of eating Spanish food, but we've expanded our menu to give you an international experience.

Bring the world to your plate with our carefully selected mix of Iberian staples and seasonal sides.

Guests often celebrate our Barriga de Cedro (crispy pork belly) because of its succulent tender texture that's perfectly cooked every time. Another favourite is our king prawns in chilli beurre blanc. The creaminess of the sauce and freshness of the prawns are second-to-none.

Served on shared platters, your guests can try a wide range of dishes with the freshest ingredients and most authentic taste.

## WEDDING REVIEW

“We had the privilege of enjoying the most special day of our lives at the wonderful Brandy Creek Estate.

We had no idea where to start with planning our day and ended up at Brandy Creek on a whim. From the moment we stepped inside the venue we were blown away with how beautiful and full of character the restaurant was. The stunning views make this the most gorgeous place to visit and became the perfect back drop for our wedding day.

Skye leads an amazing team of people who are so dedicated, friendly, and fun and who genuinely care so much about making your visit and our big day the best it can be. We love you all from the bottom of our hearts, thank you for the most incredible and perfect day. We can't wait to celebrate many more years and occasions together at Brandy Creek.”

## OUR PAELLA

Paella is more than just a staple of Spanish cuisine. It traces back to the mid-19th century and has always been a highlight of a Spanish feast. The word “paella” takes its name from the signature flat pan it’s cooked in called the paellera. We use our own paelleras to bring this authentic taste of Spain to your uniquely elegant wedding.

Our couples love our paella service the most because it’s dynamic, fresh and packed with a variety of flavours. We cook it live outside in the full view of the guests in an electrifying show. Watch the sparks fly and the aromas fill the room as our supreme chefs work their magic.

Always with that rich, saucy rice base, we have 5 exceptional paellas to try. From seafood to seasonal vegetables, there’s something for everyone. Guests have the joy of observing the paella being cooked before their eyes and then self-serving whichever flavours they like to personalise their main meals.

Our restaurant at Brandy Creek Estate is known for its paella. Join us for a tasting to see why!

## OUR CHURRASCO

If our paella sounds good, just wait to hear more about our Brazilian churrasco! Churrasco is Portuguese for barbeque. We're proud to say we're one of the few venues in the region that offer this specialised menu that will leave your guests delighted.

Our fresh, locally sourced meats are cured and marinated in-house for up to two weeks. This is to ensure that you get the most flavourful, tender grilled selection on your wedding day.

Cooked on rotisserie grills just like in Brazil, the high flames and smoke give the meat a characteristic smokey flavour that can't be replicated any other way.

We bring this authentic Brazillian grilled menu to you on sharing platters. This is fantastic for a family feel at your wedding.

Indulge in this divine spread of fine grilled meats, seafood and sides. Simply pair with one of our full-bodied red wines and we guarantee your guests will adore this culinary journey to South America on your special day!

## WEDDING REVIEW

“Brandy Creek Estate was everything we could have dreamed of for our wedding and more! The venue itself is absolutely stunning, but what truly sets it apart is the incredible team and the exceptional value for money. The quality of the food was outstanding -- each dish was beautifully prepared and absolutely delicious. Our guests couldn't stop talking about how amazing the meal was!

The service we received from the entire team was top-notch. Everyone was professional, attentive, and ensured that every detail was taken care of. Skye, in particular, was an absolute superstar. From the very beginning of the planning process, she was always available to answer our questions, offer guidance, and make us feel at ease. On the day, she was our go-to person and made sure everything flowed seamlessly so we could just focus on enjoying ourselves.

We couldn't have asked for a better experience, and for the quality of service and food, Brandy Creek Estate offers incredible value. We highly recommend them to anyone looking for a venue that goes above and beyond in every way!”

## WEDDING REVIEW

“My wife and I were so lucky to have our wedding at Brandy Creek Estate this March! The team were so incredibly helpful, accommodating and ‘go with the flow’ it was truly the perfect choice for us. We had a family oriented wedding, as we have kids of our own and many guests brought their kids too. Brandy Creek made it so easy, and accommodated for the kids with different food, drinks, and set up lawn games too. The food was spectacular and our guests haven’t stopped raving about it and the grounds were beautiful for our photos - especially at sunset. We chose live cooking paella and roaming canapes which was more than enough food for 80 people. The overall cost of the venue, food, and beverage package was very reasonable.

What really sold us to the venue was the function coordinator, Skye Failla, who went above and beyond to ensure we had our version of “perfect”. Skye was on top of everything and made us feel so relaxed in the lead up and on the day. The bar staff, especially Ryley were fantastic and ensured our guests had a blast! Highly recommended Brandy Creek for a function, and if you’re lucky enough to work with Skye, you will have a no stress event for sure!”
