Weddings at The Kew Golf Club

At The Kew Golf Club, our professional team will treat you and your guests with impeccable service to ensure your wedding is full of joy.

One of the highlights of having your wedding reception at The Kew Golf Club is the outstanding view of the stunning golf course from our elevated clubhouse, which is more evident at night, when flood lights brilliantly shine on the surrounding holes.

The clubhouse offers the perfect setting for all occasions, large and small.

The dining room with a dance floor caters for 120 guests comfortably.

Enjoy lasting memories of your wedding with bridal photos on the manicured surrounds of the course.

Our contemporary menu complements a wonderful selection of wines. Enjoy pre dinner drinks and canapés on the terrace before relaxing in the main dining room to an evening of fine food, wine and exceptional service.

The Functions Manager, Alisha Ayres, in consultation with our Head Chef Andrew Bedford will help organise and plan your wedding and ensure your day is memorable.

The venue is available for viewing from 10.00am – 5.30pm each day. A prior telephone call will ensure Alisha's availability to meet with you.
