Glasshaus Brücke

368 Bridge Road, Richmond

Glasshaus Brücke

Nestled on the city's edge, this blend of neo-classical, art deco, and Berlinesque architecture had been quietly awaiting our discovery. With its soaring ceilings, exposed beams, and captivating brutalist windows, it becomes a canvas for the interplay of mesmerizing light and shadows, harmonizing with the abundant greenery of Glasshaus. Our grand staircase adds an element of magic, allowing for those delightful "upstairs, downstairs" moments. Balancing luminosity and a touch of mystique, Brücke pays homage to the exhilarating spirit of the roaring twenties, creating an iconic backdrop for your dream wedding.
