Rice Paper Scissors Fitzroy offers a dedicated and private function space with a capacity for 30 seated or 50 standing. We also have the option of full venue hire for groups of approximately 100 including our renowned food and cocktail menu that can be tailored to your needs.

A LITTLE BIT ABOUT US

Way back in 2013, we had the crazy idea of opening a restaurant where you only used your hands to eat. The food was great, the cocktails... even greater, but best of all were the amazing experiences we shared.

Rice Paper Scissors is modelled on the hawker dining bars of South East Asia with a shared eating concept being the focus of what we do.

We aim to serve only the freshest ingredients, sourced organically and ethically where possible and all our sauces, patés and relishes are made in-house.
