Your Ceremony

Say "I Do" under our gorgeous garden gazebo with your guests watching on. Surrounded by lush greenery and natural bushland, it creates the perfect backdrop for stunning photographs. Should the weather be inclement, we offer complimentary use of our stylish Babbington's Restaurant for your ceremony, with floor to ceiling glass windows that overlook our natural bush backdrop.

Your Reception

Enjoy an elegant sit-down meal in our Apollo room overlooking the sparkling pool and bushland. Alternatively you can spend the evening grazing on canapés while you mingle with your guests.

Whether a traditional seated meal, canapés or grazing station, our award winning on-site chef and wedding coordinator will ensure your wedding day resonates with your guests and is a true reflection of you as a couple.

Accommodation

With the convenience of hosting your event in a 4.5 star hotel, there's no need for your guests to travel. We also offer a "wedding party" accommodation rate.

The newlyweds will be treated to a deluxe suite to spend their wedding night, complete with sparkling wine, chocolates and breakfast for two in the morning.

Centrally located between the two largest shopping centres in the region and just minutes from glorious beaches, your guests may choose to stay on and extend their visit into a holiday.

Just Married...

Thank you so much for a fabulous wedding weekend!
The Apollo reception room looked stunning! Thank you for accommodating our wedding professionals, your attention to all our little requests was remarkable. Much love and thanks

Evan & Jess

It was the most beautiful day I could ever have imagined. The venue, food and accommodation are amazing. We had our ceremony and reception at The Apollo and stayed in the honeymoon suite on our wedding night. I couldn't have imagined a more perfect place for my special day! The staff were also amazing!

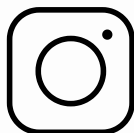

Tegan & Dan

The team at Apollo made everything so easy. From our initial walk through to final planning, nothing was too hard. We loved being able to have the entire wedding on-site, including photos in the beautiful bushland setting after our ceremony.
