AT DALWOOD ESTATE

*your
day*

AN UNFORGETTABLE MILESTONE WITHIN YOUR LOVE STORY

There's something magical about a wedding within the vines, and Dalwood is the perfect vineyard to choose.

Whether you dream of exchanging vows under a canopy of trees by the river, or in our natural amphitheater nestled amongst the vineyards, there is nothing more magical than a destination wedding overlooking one of the Hunter Valley's most picturesque and enchanting wedding venues.

After the ceremony, set off to roam vineyards which offer spectacular settings for photographs with flourishing vines, historic buildings, open green fields and the gently flowing river.

Dalwood's events are exclusively catered by Meet Restaurant. Since opening its restaurant in Honeysuckle in October 2015, the Newcastle-based restaurant received the honour of being named in Open Table's inaugural Top 100 Restaurants of Australia in 2017. Since then, MEET has evolved into weddings and events.

The estate's bar features a superb selection of wines from the home-grown Hunter Valley vines of Dalwood, Hungerford Hill and the legendary Sweetwater.

The function center is home to several rooms that can be styled for small or large parties, an outside marquee overlooking the vineyards can be perfectly positioned to take advantage of the tranquil ambience.
