Make memories

The perfect backdrop for wedding photography, Stonebarn combines luxury with natural beauty on a stunning 160 acre estate surrounded by state forest set amongst a truffiere, river and dams in the picturesque region of Pemberton.

Location

Stonebarn is located on the unspoilt Warren River in the spectacular Pemberton and Manjimup food and wine region in the south west of Western Australia. 3^{1/2} hours drive from Perth, 1^{3/4} hours from Margaret River and 15 minutes from Pemberton or Manjimup.

Accommodation

Stonebarn is a sole-use venue – the entire lodge is rented to only one party at a time to ensure privacy and exclusivity.

Accommodation

Handcrafted with local stone and timber, Stonebarn sleeps 16 and comprises 6 luxurious suites with balconies overlooking the dam, forest and truffiere, as well as 2 double ensuite bedrooms downstairs, ideal for accommodating your wedding party. An abundance of cottages and chalets are available for hire in the surrounding region for your guests.

The Suites

Each spacious suite includes a king size 4-poster bed, large en-suite with claw-foot bath and shower, TV and reverse cycle air conditioning.

Bathrooms

Each of the six suites features a luxurious en-suite bathroom containing a claw foot bath, glass shower and sunken french double basins with separate toilets and aromatic products from L'Occitane.

The Verandah

Overlooking the dam and forest, shaded by a grape vine canopy with views to the truffiere, the Stonebarn verandah is perfect for long table dinners, ceremonies & cocktail celebrations.

Enclosure: Three sides; open to view of dam, truffiere & forest

The Clearing

Hidden amongst giant karri trees with breathtaking views of the forest and truffiere, a special place to exchange vows.

The River

The serene Warren River runs through the estate and is a secluded location in natural beauty to exchange vows overlooking the gentle water, native trees and mossy banks.

The Dam

A gentle sloping bank runs from the verandah to the dam, ideal for a ceremony with a view that's close to the lodge - the dam's jetting overlooks the water and the truffiere.
