Farmstay & Cottages

Break away from the city

Country Wedding Package

Lavendale Farm is located roughly 15km south of the historic town of York in the beautiful Avon Valley of Western Australia's wheatbelt region. Our location is only an hour's drive from Midland which is the eastern side of the Perth metro area.

Our Farmstay venue has been purpose built to allow families, groups and couples the opportunity to enjoy comfortable accommodation in a rural environment and perhaps come a little closer to nature and the world of animals. Our farm is approximately 64 hectares but we have many of the farming activities found in any West Australian Farm including farm animals, cropping, forestry, orchards and of-course some novelty animals just for loving.

Wedding couples are encouraged to decorate the venue to suite their own themes. We have a marvellous backdrop with which to work. However, no structural changes can be made and no permanent fittings can be used.

Our wedding packing includes all of our accommodation for 2 nights as well as our dining room, patio, commercial kitchen and access to most of the farm for photos etc.

ALL WEDDINGS ARE IN-HOUSE ONLY. We can accommodate 46 people so the maximum number of people attending the wedding, including the bride and groom is 46.

Couples are welcome to have their wedding ceremony here or have it off-site and then come back for the reception. There is no extra charge for the ceremony.

Wedding package \$6,500.00 based on current accommodation rates.

Maximum guests 46.
