Frequently asked questions.

How long is the cruise?

Our wedding reception cruises are for three/four/five hours duration, your choice.

Where does the vessel cruise?

Your vessel will depart from Barrack Square, travel west under the Narrows bridge past the Old Swan Brewery and into Matilda Bay. Our journey takes us past the University of Western Australia and the Royal Perth Yacht Club towards the Raffles Hotel at Canning Bridge, the captain will then steer her down river before it is time to turn around and return to Perth. The journey follows the same route returning to the city and your guests will enjoy the views of Kings Park, the city skyline and river foreshore.

What about stability?

The Crystal Swan has three hulls, one on each side and one in the middle and combined with the massive weight is a very stable boat when cruising. As with all vessels on the water it will move depending on traffic but any motion is usually very swift and comfortable.

Is there parking nearby?

We recommend parking at the Perth City Council car park opposite the Perth Concert Hall. This car park is open 24 hours a day, seven days a week and is a short 5 minute walk to the jetty.

Where do our guests embark/disembark?

The Crystal Swan departs and returns to Barrack Street Jetties at Elizabeth Quay in the Perth CBD.

Can I bring my own music/band/entertainment on board?

Yes. You are welcome to use our in house system, utilise our Ipod dock, arrange a DJ or even book a live band. If you need any suggestions regarding live music we can also assist. It is best check on our system a couple of days before your event.

Will someone help me organise my event?

Yes. We have an experienced wedding coordinator to assist in planning your event. We suggest a visit to us three months prior to discuss the detail including decorations, timing, menus and final costs.

What if a guest is prone to sea sickness?

The Crystal Swan is a very stable vessel and remains on the river so the incidence of sea sickness is very rare. However, it is recommended that any guest who is concerned should take a sea sickness pill before boarding.

Do you have wheel chair access?

Unfortunately no. The Crystal Swan is not wheel chair friendly although events in the past have included the occasional wheel chair bound guest. There are no disabled toilets onboard and the suitability of the vessel remains at the discretion of the guest concerned.

Do you cater for special diets?

Yes, your event coordinator will enquire early in the planning process if you have any special dietary requirements so that we may be prepared; religious, lifestyle and allergies can all be accommodated as long as we are informed.

Is the food prepared on board? Can I taste the food?

Yes. All menus are prepared and cooked on board in our commercial kitchen although we do not organise food tastings. Clients can be assured of our food quality by our repeat business and the number of glowing testimonials!

Inspections for my event

The vessel is open Monday through Friday 10.00 am to 3.00 pm and on Saturdays by appointment. To arrange an inspection call or email and we will set up a time to suit.

Do you have preferred suppliers for decorations?

Theming for your event can be quite simple as the vessel provides an ever changing view as you cruise down the river.

Your coordinator can provide a list of preferred suppliers and some good advice on who to use depending on your requirements.

Pricing inclusions

Quotation pricing includes the basic needs for all events; tables, chairs, table cloths, crockery, table napkins, cutlery and glassware as well as the appropriate crew levels and wait staff but does not include items that may be particular to your event.

Capacities

The vessel can comfortably accommodate up to 100 guests on one level for a formal sit down meal (up to 170 guests over both levels) and up to 200 guests for a stand up cocktail style event over both levels.

Are any decorative/ party etc items not permitted?

It is not allowed to fix items, confetti/rice is a no-no, unstable center pieces (they must have a solid base) and candles must be enclosed.

Can I change the menu?

We are very flexible with our menus; so if you wish to make changes we are happy to assist. Changes to the menu may incur additional costs.

What about my beverages?

Beverages may be paid for by the following arrangements; choice of standard or superior packages. Cash bar and on consumption available with both package options

What if it rains? Is windy? Storming?

As we are fully enclosed, rain is no problem but the wind can be an issue due to the box shape of the boat. Marine Safety places a restriction on the vessel departing the jetty if the winds are 30 knots or stronger although your event will continue at the jetty until the winds subside or the function concludes. Unfortunately this can happen and therefore is included in the terms and conditions sent to all clients prior to booking.

The Master of the vessel will determine if conditions are safe or unsafe.

Who will look after my guests during the cruise?

We all will, and your event co-ordinator will ensure that guests are happy, and being well looked after. The staff ratio is approx 1:15 and both bars are operating during the evening.

What embarkation time should I put on the invitation?

We recommend guests arrive thirty minutes prior to the departure time, the Captain may agree to depart after the allocated time but in this case there will be no extension to the cruising times.

What if guests want/need to disembark for any reason during the function?

As our valued client you are welcome to alter the cruising timetable/route but unfortunately water taxis are yet to come to Perth so arrangements need to be in place with the Captain prior to departure to ensure guest satisfaction.

Is there a minimum number of guests?

Yes. The minimum number of adult guests for our event packages begin at 40. You can have numbers less than 40 but must still pay for the minimum charge.

Fridays and Saturdays in November/December also have minimum a spend requirements of \$10,000

What should I do if I want to book a date for my reception?

If you are happy then there are two options available; pay the deposit at that time or place a tentative hold for your preferred day. A deposit to secure your booking is then due 7 days after the hold is placed. If a deposit is not received then the date can be automatically released.

What happens after I book?

After you have paid the deposit we will send through a receipt and our confirmation form.

Menus with final numbers are due 2 weeks prior to your event with the balance due 7 days prior. In the months prior to your event we will assist you with all the planning, decorations and suppliers to make your event memorable

I held a corporate dinner event on the Crystal Swan late in Oct 2017 and can say the event far exceeded our expectations. From the planning stages, through to set up and finally service/catering at the event – we were impressed. The staff and crew are wonderful, the food is not your typical “boat” food (so don't be afraid) and the boat itself is really quite unique and allows fantastic views to the city and surrounds. I would book with Crystal Swan again and recommend them as a venue option no questions asked. Thanks again Patty, Tam, Peter, Skipper and Crew!

We had our wedding on board the Crystal Swan on Saturday 1st April, 2017. The lead up to the wedding communication between the staff and I was impeccable. I felt reassured that we were both on the same page and everything would run smoothly. On the day my expectations were exceeded. The staff were friendly and attentive. The food was amazing and the drink variety allowed everyone to enjoy the night. I wouldn't hesitate in recommending the Crystal Swan to anyone who wants an amazing reception.
