Thanking you

"I just wanted to let you know how very happy I was with everything last week. The food was beautiful, please pass that on to Steve. I think a lot of my guests were surprised at the quality of the food, but I had expected good things after meeting Steve earlier in the year, and he did not disappoint. . Nothing was a problem throughout the whole process."

So thank you very much.

Regards Kim Rich

Thank you to Ashlie, Di and the staff of the Rec Club for making our wedding day amazing. The set up looked amazing and the food was fantastic. Nothing was ever a problem and as we didn't live in the area most things were arranged by email. The staff did a superb job. Thank you very much

Kylie Norberry
