We have listed below, just three, that are a favourite with many of our wedding couples, and we are sure, you will find one that perfectly suits your wedding style.

The historic 1875 Cellar is an iconic location for photos of your special day.

The winery vintage is between February & April, during this time the cellars may be in use.

The Long Bridge

The Long Bridge spans the Billabong, leading to the tabilk-tabilk wetlands.

The Jetty, with the Goulburn River, gently flowing by in the background and shaded by towering Eucalyptus.
