THE PRIDEAUX ESTATE

## *About our Packages*

### **Ceremony Only**

Our wedding chapel is lined either side with large arch windows, providing beautiful light, shining in on the tasteful interior complete with antique wooden pews to seat 90 guests. All styling within the chapel is included in the package price: white satin sashes or silk flower arrangement on the pews, easel with welcome sign and candles. Feel free to add your own flare by arranging additional styling.

The 35-acre country estate boasts endless unique photo opportunities without ever having to leave the property. Among the stunning natural surrounds, capture lasting moments in our handmade timber boat, double swing, stone arbour, rustic timber fence lines, paddocks with long grass or around the manicured chapel lawns.

It is rare to find a private sanctuary such as this one situated so close to Mooloolaba, Caloundra and Maroochydore.

At The Prideaux Estate, your wedding will be our only wedding for the day - you are our sole focus! Our packages include all-day access, giving you full flexibility on ceremony time and eliminating the stress of feeling rushed at any stage.

*Our philosophy is simple - we want to do everything we can to make your day perfect*
