

Australian Botanic Garden

Weddings

BOTANIC
GARDENS
OF SYDNEY

Love blossoms here at the Australian Botanic Garden. With enchanting locations for ceremonies, gorgeous backdrops for wedding photos and boutique options for receptions, the Australian Botanic Garden is the Macarthur region's premier wedding venue.

Each season offers something different for every couple: warm autumnal tones, vibrant colours of spring, the warmth of summer sunsets and the perfect winter light for wedding photography.

let your love bloom

Our Wedding Venues

Connections Garden | Sunken Garden | Sundial Hill | Buffalo Lawn | The Island at Wattle |
Herbarium Forecourt | The Arbour | Lakeside Lawn | Lakeside Pavilion | The Undercroft |
Bowden Centre | Marquee Lawn

Connections Garden

The Connections Garden is our most popular site, and for good reason.

The enchanting garden, with its verdant rainforest backdrop, sets the scene for a truly magical ceremony or cocktail reception.

What makes this garden truly intimate, is that it is one of the few areas at Mount Annan that can be hired exclusively to ensure privacy for your special occasion.

Perfect any time of year, the Connections Garden is also a unique venue for your reception in the gorgeous summer evenings.

**Capacity: 80
Ceremonies, Outdoor Reception
Power Access, Exclusivity, After-Hours Use**

The Sunken Garden

Balancing the man-made elements and the surrounding nature, the Sunken Garden showcases how Woodland specimens can be successfully reinterpreted and reintroduced, creating a unique and intimate venue perfect for elopement ceremonies.

Capacity: 20
Elopement Ceremonies, Packages available
Power Access, After-Hours usage

Sundial Hill

Located atop Sundial Hill in the south-eastern corner of the garden, this venue offers breath-taking panoramic views of the surrounding gardens - perfect for elopement ceremonies

Capacity: 20
Elopement Ceremonies, Photography

Buffalo Lawn at Banksia

Set in the heart of the Banksia Garden, this versatile space can be styled to suit all tastes; from boho bridal to chic garden soiree, traditional to rustic. This venue is a gorgeous little alcove that provides a luscious green backdrop with large eucalyptus offering a shade canopy.

Capacity: 40
Elopement Ceremonies

The Island at Wattle Garden

From August to September, the garden comes alive with vibrant wattle blooms, adding a touch of sunshine yellow to your special day.

The Island at Wattle Garden's best-kept secret is that this secluded paradise is stunning all year round! The Island is a hidden gem nestled at the back of The Wattle Garden, featuring a picturesque water backdrop and enchanting tree canopies, it sets the stage for an unforgettable celebration. Host your ceremony and dive straight into a relaxed and private picnic reception.

Capacity: 100
Ceremonies, Outdoor Reception
Exclusivity

Herbarium Forecourt

Modern design meets award-winning architecture.

The Herbarium Forecourt offers you the best the Australian Botanic Gardens has to offer; views of the scenic bushland, exceptional architecture and manicured lawns.

Create the backdrop of your dreams amongst the majestic concrete seed vaults and know that your special event will happen no matter the weather.

This award-winning space is accessible and offers ample area for both small and large celebrations, day or night.

Capacity: 600
Ceremonies, Outdoor Reception
Exclusivity, Power Access, After-Hours usage

The Arbour at Wattle Garden

The Wattle Garden comes to life in August and September as Australia's national floral emblem is flowering, but we think it is a gorgeous spot to visit all year round. Set in the heart of the Wattle Garden, the Arbour is the perfect location for intimate wedding ceremonies and photos.

Capacity: 40
Elopement Ceremonies

Lakeside Lawn

Tranquility and nature harmoniously collide at the Lakeside Lawn. Here, you'll get the best of all worlds; rolling hills, majestic gumtrees and a peaceful waterside to exchange your vows.

Perfect for larger wedding ceremonies day or night, this landscaped vista offers shade in the summer thanks to the trees and ample seating for your guests.

Capacity: 400
Ceremonies
Power Access, After-Hours usage

Lakeside Pavilion

Although the vibes at the Lakeside Pavilion are casual, the views are as luxe as they come.

The sweeping views across the Lakeside Lawn and rolling green hills set the scene for your big day. Choose to host your ceremony under the shelter or set yourself up on the expansive lawn and utilise the shelter for your reception.

Capacity: 200
Ceremonies, Outdoor Reception
Exclusivity, Power Access

The Undercroft

Modern, sleek and stylish, The Undercroft at the award-winning Australian PlantBank combines open space with outdoor areas making it a fantastic option for wedding ceremonies.

Whilst the facility was built for the research and conservation of plant species, it is proving a popular location for both ceremonies and receptions. This location is safe from unpredictable weather, presenting a blank canvas for your special day.

Capacity: 200
Ceremonies, Outdoor Reception
Exclusivity, Power Access

Bowden Centre

Where nature's splendour meets contemporary elegance.

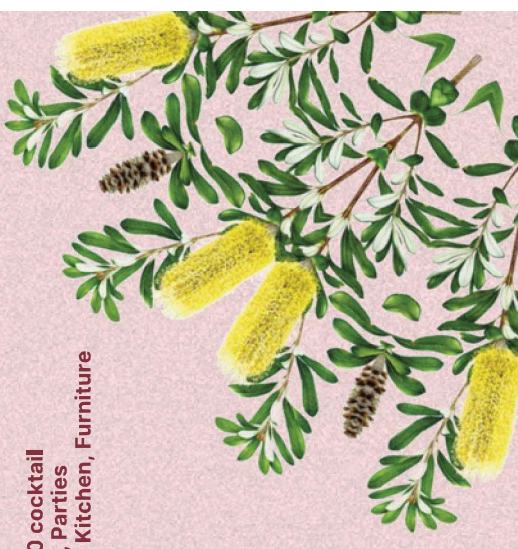

The Bowden Centre was architecturally designed with ecological sustainability in mind. The building is lined with timber inside and out and comprises of a 345m² structure which houses one large 105m² space with kitchen facilities, a 50m² covered entertaining area, and a 30m long veranda that faces onto the adjoining open green.

The open green space immediately in front of the venue offers endless possibilities for outdoor activities and photo opportunities.

Capacity: 80 seated | 120 cocktail
Ceremonies, Reception, Parties
Power Access, Exclusivity, Toilets, Kitchen, Furniture

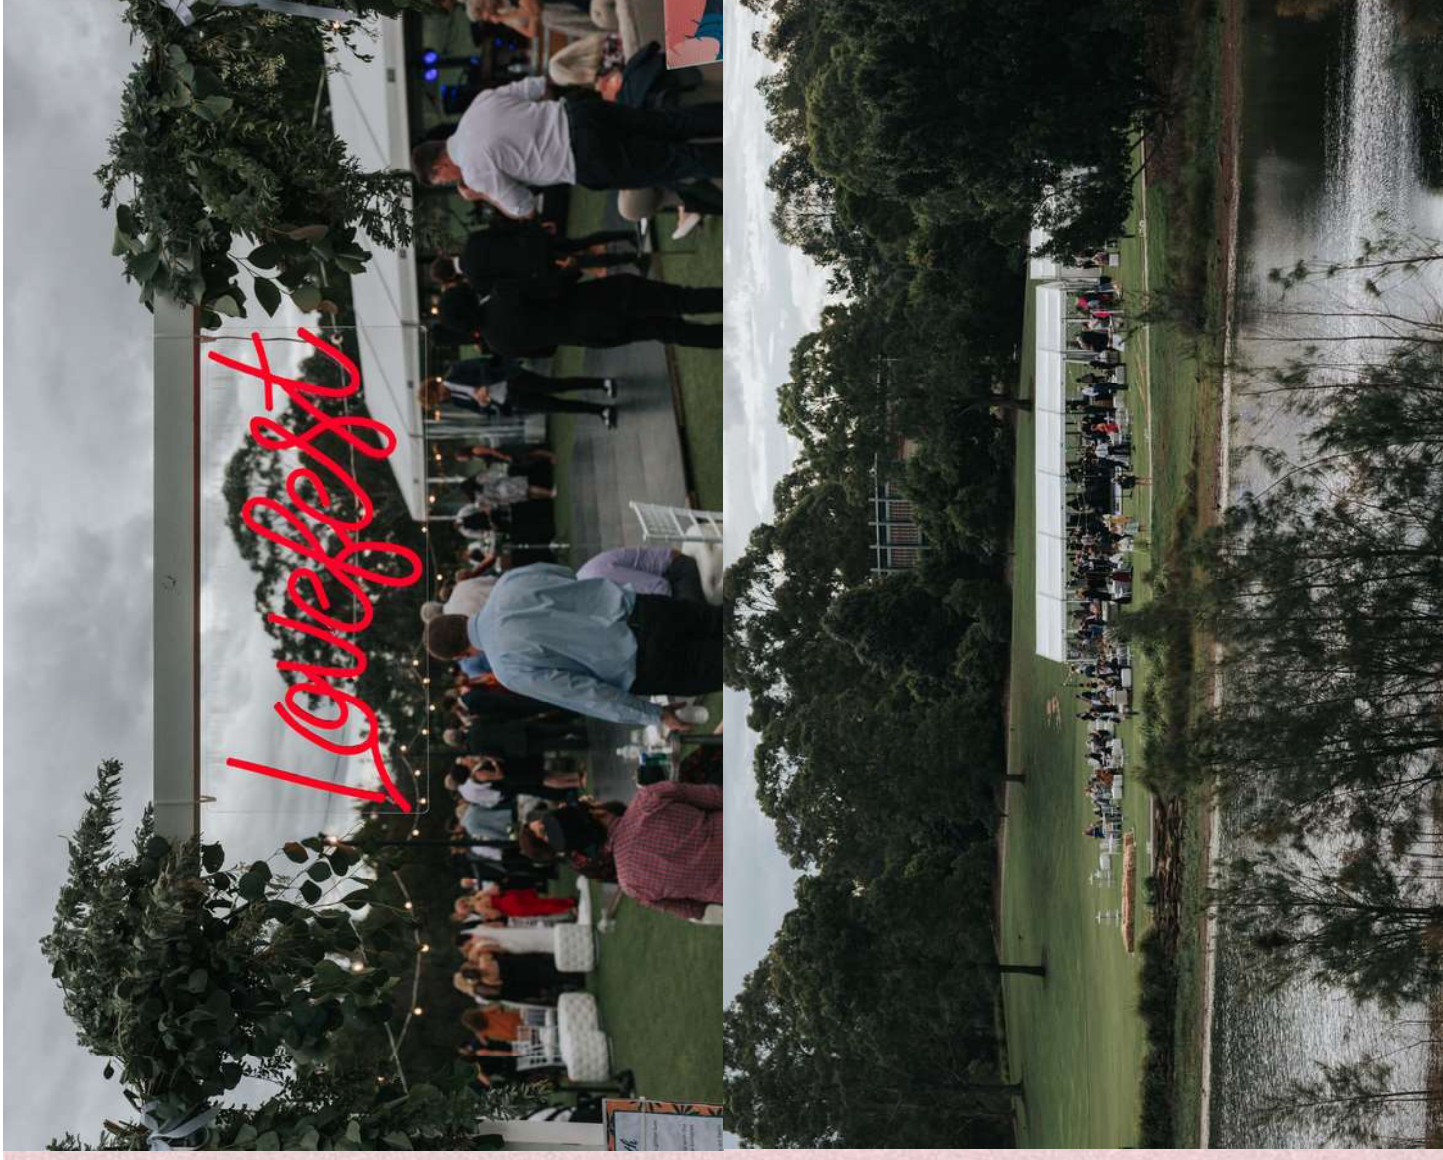

Marquee Lawn

The Marquee Lawn is a private space with a stunning lake backdrop, for marquee builds and outdoor wedding receptions.

After your vows, escape into the gardens for a private photo session with your bridal party, while your guests entertain themselves with a drink, a picnic reception and some lawn games.

This garden area can accommodate up to 600 guests while still maintaining an intimate feel.

Capacity: 600
Ceremonies, Receptions
Power Access, Close to Amenities, Exclusive, After-hours

Wedding Photography

Take a moment to reflect and capture your love for one and other in the tranquillity the Australian Botanic Garden provides. With over 416 hectares of beautiful rolling hills, woodlands, natural grasses, and luscious green leafy backdrops – the photo opportunities are endless.

Your permit allows you to wander through the gardens to find the perfect location, no matter the weather, the Garden hosts the perfect backdrop in sunshine and in rain fall.

There are no set timeframes with your photography permit, you're welcome to book any two-hour timeslot that fits in with your schedule.
