# FAQs

## Cruising

### How long can we be onboard The Jackson?

Our wedding packages can be tailored to suit your wishes, however the minimum hire is four hours and the maximum length is six hours. Additional time is calculated in hour increments and includes hire, staffing and beverage costs.

### Where does The Jackson Cruise?

The Jackson will cruise through most of the Harbour taking in all the Harbour highlights, providing your wedding day with the most spectacular backdrop of Sydney's world famous icons, the exquisite mansions of the rich and famous along the shoreline, and the superb natural beauty of the many islands and bays that make this most stunning Harbour. Our team is more than happy to tailor a route of your request and we can utilise the sister vessel- The Jackson flyer to easily transport you or your guests on and off the Harbour to any private or public wharf.

### Can The Jackson stay in one place instead of cruising?

Yes, most certainly if you wish the vessel can stay anchored for your wedding ceremony or other parts of your day in a location of your choice. Our company has been cruising Sydney Harbour for over 50 years and we know all the best locations for the most beautiful, panoramic views of the Harbour.

### How stable is The Jackson?

Due to its weight and size, The Jackson is very stable when cruising the Harbour. As with all vessels on the water it will move, but the motion is very soft and comfortable.

### Do you have wheelchair access?

Yes. The Main Deck and Mid Deck are wheelchair accessible.

### Is there parking at the Wharf?

There are plenty of parking options at King Street Wharf with Wilson carparks on Kent St and Sussex St.
