SMOOTH MEMORABLE EVENTS

## Welcome to our home, creating dreams since 1816

The word Eschol is biblical. It is taken from the name of one of the seven great valleys of the Promised Land, which was famous for its viticulture.

The earliest sections of the old homestead were built around 1816 by then owner Mark Millington.

In 1817, Millington sold the 50 acre property to Thomas Clarkson who increased the size of the property to 1300ha and in 1820 built the two storey house we see today.

When devout Christian William Fowler took over the large land holding in 1850, he called the area Eschol Park and established a flourishing vineyard.

Our beautifully landscaped gardens with our magnificent home will provide you the perfect backdrop for your wedding day and help create the most beautiful memories.

Eschol Park House provides the perfect location for your private and peaceful garden ceremony and the most elegant wedding reception to celebrate with your family and friends.

Our 25 years of experience in weddings will ensure the smooth running of your wedding.

We thank you for giving us the opportunity to assist you and your family and friends celebrate your special day.
