AWARD WINNING WEDDING FILMS

PRICELIST - OCTOBER 2018 Onwards

Thank you for your interest in Premiere Films. Below are our regular wedding film prices. We can quote you individually on your wedding and can also attempt to price match. No wedding is too big or too small and we can try and work within your budget. One hour coverage is unavailable on Saturdays between October & March.

All our wedding films are supplied on full high definition USB for versatility and supreme quality. Our USBs can be played on your TV and the full high definition files can be easily self-copied and duplicated for safe keeping & sharing.

1 HOUR COVERAGE - \$350

This coverage is ideal for couples wanting only their ceremony filmed. It does not include any editing, but the footage from two cameras is professionally synced together, showing a great perspective of your ceremony. Additional hours can be added at \$150 per hour, or \$75 per 30mins.

We can edit your video into a 4min film for an additional \$110.

MAIN PACKAGES

SHORT COVERAGE with professional editing - \$1250

This package is designed to capture the best part of your day and to keep the price low. This short coverage can cover the wedding ceremony, the post-ceremony photo session, up until your entrance into the reception. Let us know if your ceremony is later than 3pm as we may be able to lower the price. This package includes editing of your video into a short highlights film of 8-12mins duration. All the 'raw' footage is also supplied and includes the syncing of footage from two cameras of your ceremony.

MEDIUM COVERAGE with professional editing - \$1750

This package captures multiple highlights from your wedding day, including the important speeches and bridal dance. This covers your ceremony, post-ceremony photo session, reception entrance, cake cutting, speeches & your first dance. Let us know if your ceremony is later than 3pm as we may be able to lower the price. This package includes professional editing of your video into a medium length highlights film of 8-16mins duration. All the raw footage is also supplied and includes the syncing of footage from two cameras of your ceremony, speeches & bridal dance.

LONG COVERAGE with professional editing - \$2600

Our popular long coverage captures the majority of your wedding day. This package captures your partner's preparation (60-90mins), your preparation (60-90mins), the ceremony, post-ceremony photo session, reception entrance, cake cutting, speeches & bridal dance. Let us know if your ceremony is later than 3pm as we may be able to lower the price. This package includes professional editing of your video into a medium length highlights film (12-16mins duration). All the raw footage is also supplied and includes the syncing of footage from two cameras of your ceremony, speeches & bridal dance.

COMPLETE PACKAGE with professional editing - \$3000

The Complete package captures it all! This is our most popular package. The Complete package captures your partner's preparation (60-90mins), your preparation (60-90mins), the ceremony, post-ceremony photo session, reception entrance, cake cutting, speeches, first dance & your exit from the reception. This package includes professional editing of your video into a highlights film covering your entire wedding day (12-16mins duration). All the raw footage is also supplied and includes the syncing of footage from two cameras of your ceremony, speeches & bridal dance.

Contact us to secure your booking or to discuss your options. We started filming weddings back in 2001 and we are more than happy to share our experiences with you and discuss what may work best on your wedding day. Feel free to send us the times and locations of your wedding day schedule and we can work out the best options for you. If you wish to secure your date, we simply require 2 names, 2 mobile numbers, a postal address to send the video, and a \$500 booking deposit. It's very easy to book and you can book by email or phone. Dates cannot be held but as soon as we hear from you we can secure your wedding date. Please let us know if you have any questions.

Thank you for your interest and we look forward to hearing from you.

Best regards,

Travis Payne - Premiere Films camera operator & editor
