# FREQUENTLY ASKED QUESTIONS

---

## WHAT EQUIPMENT DO YOU USE?

We both use Canon R6 MKII cameras. We try to avoid your wedding feeling like a movie set so to keep things simple, we each use a gimbal (a camera stabiliser) and an extra camera on a tripod to film the ceremony. We also use lights (if needed) and audio equipment.

## WHERE ARE YOU BASED?

We're based in Brisbane, QLD.

## WE DON'T LIKE POSING, IS THIS AN ISSUE?

We love the natural, authentic moments of a wedding and the best parts of your day aren't planned or posed. We capture the moments as they happen during the day - it's the best stuff! We try to stick behind the scenes because we know how intimidating it can be and it's something our clients love us for!

## HOW IS THE MUSIC CHOSEN FOR THE FILM?

We use a music licensing subscription to handpick the perfect soundtrack by incredibly talented artists that perfectly suit the film and the feel of the day. Trust us, we spend hours finding the perfect song.

## DO YOU OFFER RAW FOOTAGE?

Yes! This is an optional extra available on all packages. Note all raw footage is delivered as captured in camera. No editing has been applied to the video and audio clips.

## DO YOU TRAVEL?

Coastal, city, hinterland or country – You name it, we can do it!  
From the Sunshine Coast to the Byron Bay, covering the Darling Downs, Scenic Rim, Tweed Coast and everywhere in between!

## *HOW QUICKLY DO WE RECEIVE OUR FILM COLLECTION?*

While the editing process plays an intrinsic role in giving our films their magic, cinematic feeling, we pride ourselves on having a quick turnaround to produce films. It may vary depending on how busy we are, however we try to have them completed for you within 4 weeks of the wedding.

## *WE'D LIKE TO CHAT WITH YOU BEFORE BOOKING, IS THIS OKAY?*

Of course! We would love to chat to you and hear more about your upcoming wedding day. If you have any ideas or questions you need answered, we're always happy to help!

## *OKAY, WE'RE READY TO BOOK! HOW DO WE LOCK IT IN?*

If you love our films and feel like we are right for you, we would love to work with you! If your wedding date is still available, we'll send you the contract and the only other thing we need is a 20% deposit. It's really that easy!

## *WHEN DO I HAVE TO PAY THE BALANCE?*

The outstanding videography package amount is due no later than 2 weeks before the wedding date.
