

# Our Services

## Ceremony Package

Camera operator arrives an hour before the ceremony begins to capture groom, guests and bride arrive at the ceremony. Video of the full service with two cameras, wireless audio microphone placed on the groom to hear the vows. Three hours total coverage, the footage is edited to a 10-minute highlight video to music of your choice. Delivery of the highlight video 2 weeks after the event as MP4 files on thumb drive. Raw footage provided as an MP4 file.

## Gold Package

Camera operator arrives an hour before the ceremony begins to capture groom, guests and bride arrive at the ceremony. Video of the full service with two cameras, wireless audio microphone placed on the groom to hear the vows. Six hours total coverage following the bridal party to arriving at the reception, the footage is edited to a 15-20 minute highlight video to music of your choice. Delivery of the highlight video 2 weeks after the event as MP4 files on thumb drive. Raw footage provided as an MP4 file.

PICTURES

WEDDING & EVENT VIDEOS

is a family run business.

Headed by Courtney Waller who has thirty years experience in video production in Perth Western Australia.

Through the years Courtney has created over 300 wedding videos for couples in Perth.

When Courtney isn't making videos around WA, he is busy at Colour My World Therapy Services with his wife Toni.

You will also find Courtney on his favourite golf course, bee keeping their family bee hive, gardening, watching F1 and taking care of his two beautiful girls as well as their many family pets.

# Our Services
