## *Creative Professional*

Based on the Capricorn Coast with my wife and 2 kids. My passion for creative work began whilst on a holiday with my wife in Hawaii 10 years ago, which is where I bought my first camera. I love getting to know my clients and to bring out their true and genuine selves, their love and what's most important to them in my films. With the creative flair and attention to detail I tell your story.

To me your special day is not just a series of beautiful images, but a truly personalised, creative and unique representation of your day and your love.

I am an enthusiastic filmmaker and Cre8tve Moments is my way of doing something I absolutely love, and one I feel lucky to be able to do. I'm a relaxed easy going person and love meeting new people and look forward to your special day.

# AREA WE SERVICE

Typically we service the Capricorn Coast and Central Queensland region. However, we can travel anywhere in the country if required.

Any bookings outside 100kms of Rockhampton will incur a travel fee which will be discussed prior to booking.
